

## PRODUCT SPECIFICATION SHEET

**Product:**

**INTERNATIONAL OPEN TOP 220 (IOT 220)**

**Product Code: IOT 220**

**Revision date:** 10/04/2014

### Technical Data

|  |               |
|--|---------------|
| Material:                                  | PE-HMHD       |
| Fabrication:                               | BLOW MOULDING |
| Nominal capacity [L]                       | 220 Ltr       |
| Weight [Kg]: ( $\pm 2\%$ )                 | 9.2 kg        |
| Stackability Performance reversible Pallet | 1 + 1         |
| UN Code                                    | 1H2/....      |

### CLOSURES

|                 |                               |
|-----------------|-------------------------------|
| Lid             |                               |
| Material:       | PE                            |
| Fabrication:    | Injection Moulding            |
| Gasket Material | Natural Rubber/EPDM           |
| Clamping Ring   | MS Galvanized / Powder Coated |

### FINISH

|                       |                                 |
|-----------------------|---------------------------------|
| Drum Body colour      | Blue                            |
| Lid color             | Black                           |
| Customer Requirement: | Screen Printing if needed       |
| XL Ring               | 1 No. Extended L ring on bottom |
| UN Approved:          | Yes                             |

| Dimensins                  | In mm (+/- 2%) |
|----------------------------|----------------|
| BELLY MAXIMUM DIAMETER 'C' | 585            |
| HEIGHT OF DRUM 'A'         | 955            |
| OPENING DIAMETER 'B'       | 475            |
